Each session is limited to the first 40 children.

The Safety Town Program was started in Cleveland, Ohio, at the National Safety Town Center, by its Founder and President, Dorothy Chlad, who felt that it was important to have a program dedicated solely to promoting preschool – early childhood safety education. The City of Brookfield Safety Town is a nationally affiliated early childhood safety education program designed to teach all types of safety situations to the five-year-old children. The

first City of Brookfield Safety Town was held in June, 1986, and the program was sponsored by the Brookfield Junior Woman’s Club through the summer of 2012. **The Safety Town Program is now located at Dixon Elementary School. 2400 Pilgrim Square Drive.** The Brookfield Task Force on Public Safety Education, Inc. has sponsored Safety Town from 2013 to present. Over 4,000 children have been trained in the City of Brookfield Safety Town Program by certified teachers, and by members of the City of Brookfield Police and Fire Departments. Trained teenage volunteers have also assisted the children in learning their safety lessons.

Safety Town emphasizes traffic, fire, and personal safety. It is a prevention program that teaches young children how to prevent accidents from occurring and how to respond to dangerous situations. Lessons are taught in the classroom, on field trips and on the Safety Town miniature layout that includes buildings, roads, signs, and tricycles.

The summer of 2019 marks the 34th year that the City of Brookfield Safety Town Program has been made available to the children of our community. The Brookfield Task Force on Public Safety Education, Inc. will sponsor 3 one-week sessions of Safety Town this summer:
